A Message from Our Owner

Welcome to New Leaf,

After more than a decade with New Leaf, I had the privilege of purchasing the company from Steve Murray in July 2026. Having worked alongside our team and built relationships with so many of our customers, I know how much care and hard work has gone into this company. I am grateful to Steve for his leadership, friendship, and confidence in me to carry it forward.

My faith and family shape who I am and how I lead. I believe we honor God by doing good work, treating people well, and doing what we say we will do. For our customers, that means caring for your property, communicating clearly, and taking ownership when something needs attention. I want you to feel comfortable reaching out, confident that we will listen, and assured that your business matters to us.

I also believe that serving our customers well starts with taking care of our team. Behind every person at New Leaf is a family, a set of goals, and a future they are working toward. Helping our people grow and take pride in their work is one of the parts of this role that means the most to me. I am excited to build on the foundation we have established, find ways to improve, and create opportunities for the people who make New Leaf what it is.

To those who have trusted New Leaf over the years, thank you. Your continued support means a great deal to our team and to me personally. If you are getting to know us for the first time, we would appreciate the opportunity to meet you and earn your business. I look forward to what is ahead and am grateful for the opportunity to serve you.

Kyle E. Moore
Owner, New Leaf Landscape Services
